Why I can't wait to document your day

From stolen glances to cheeky kisses and getting loose on the d-floor, I'll be there to document your love story (and all the fun bits).

As a wedding photographer, I adore capturing the raw love and emotions of a wedding day, from the unplanned moments through to the thought out details. I believe wedding photography should capture these magic and authentic memories of the day.

If you love natural, unposed and relaxed photographs, I would love to create and capture these stories for you to keep.

I'm a Perth based photographer. I have been documenting love and families for more than ten years. I'm a creative soul with a love for romance.

I can spend hours looking at images, be it photographs, films or art, it moves and brings you to a different place, a different mood, a different time. I find it hard to explain it in words, words are not my forte. I have always loved the possibilities of visual storytelling. To be able to go back in time to a moment or a memory and feel all its liveliness. That's what I strive for in my photographs, to create and to capture the small details, the big moments and in between magic where you'll be able to look back and remember exactly how you felt that day. Love in all its fullness, happiness in all its belly-aching laughter and life in all its warmth and wonder.

I want to create that for you, memories, yours to keep.

A FEW QUESTIONS YOU MIGHT HAVE

Do you photograph elopements or offer shorter coverage?

Yes! If you and your partner are thinking of skipping the fuss and running off to do a private ceremony with just the two of you or with just your closest and dearest, I'd be absolutely honoured to document your intimate ceremony.

I offer hourly coverage for \$700/h (under 6 hours).

How long will it take to receive our photos?

It will take about 8–12 weeks to receive your final wedding photos. I put a lot of love and care into perfecting each image, which is why it'll take me a little bit more time to deliver your final images.

How many photos will I receive?

For half to full day weddings, you'll receive over 500–800 photos, depending on how many hours we shoot and how jam-packed your wedding day is!

How will I receive my photos?

You'll receive a link to your wedding highlight slideshow to watch and relive your wedding day, the slideshow is a short summary of the many photos to come. I'll then drop off your usb box and send you the online gallery so you can share with your families and friends.

FAQ

Can I print my photos?

Of course, I'd love for you to print your favourite photos! You can easily order prints through your online gallery. Also, the photos on the usb are high resolution and not watermarked so you can also print these out on your own.

What if I have to postpone a booking?

Life is complicated and the unexpected is to be expected as we've learnt from 2020. Although the deposit is non refundable as this helps to protect my business due to turning away all other booking for your wedding date, I am very flexible and more than happy to work together if you need to postpone your wedding date.

What happens if I am unable to photograph your wedding? *touch wood*

I hope this will never happen but in unforeseen circumstances I am unable to photograph your wedding, I can either offer you a refund or have an associate photographer cover your day. I have photographer contacts I know and trust that will be able to step in and take good care of you. It is important to me that you are happy with your wedding photos so this is my highest priority.

Do you have any vendors you recommend?

Yes, from years of experience in the wedding industry I have come to work with some of the best wedding vendors. If you would like a specific recommendations, just reach out and I'm sure I will have some suggestions I can send you.

HOW TO BOOK

I'm so pumped, here's how you can lock me in for your wedding day

THANK YOU! I'm unbelievably excited and honoured that you'd like to book me in as your wedding photographer. Let's get the party started!

SHOOT ME AN EMAIL AND WE CAN ORGANISE A CATCH UP

All good things start with coffee. During our catch up you can ask as many questions as you'd like and get a feel for what it'll be like working together. A bit like a blind date, think of this as your chance to suss me out.

MAKE A FINAL DECISION

There is zero obligation to book during our catch up, so no pressure whatsoever. I want you to feel 100% comfortable and confident in your booking once we've hashed out all the details. If you're in, I'm in!

Please note that I do book out pretty far in advance, so it's best to get in touch with me sooner rather than later.

I look forward to meeting you soon. x

LOVE NOTES AND KIND WORDS

Testimonials I've received from other couples

One word... AMAZING! Christine is so kind and funny and her style is so beautiful. When we saw her photos we instantly fell in love. We didn't want anything too posed and Christine offered beautiful, natural, fun photos which was exactly what we were looking for. She would give us direction and the photos just worked.

- LAUREN + NATHAN

We just wanted to say again how much we appreciated you being our photographer on our special day. You made us feel really comfortable and at ease in a situation we weren't used to – being the centre of attention and so comprehensively photographed.

Your professionalism and your friendly, efficient manner made the day run so smoothly.

- DEBORAH + JOHN

This was a hard task as it's a really important decision to make for the big day. We chose Christine Lim (it ended up being an easy decision in the end once I met her) for a few reasons. Firstly, when I met Christine, I felt comfortable in her presence immediately, which was a big plus for me as I can feel very awkward and nervous when being in front of a camera. Also, for the style of wedding we were having I wanted our photos to reflect the natural, uniqueness of the day and Christine's ability to create the classic, candid, nostalgic beauty of the day was picture perfect. She works with natural body language and positions and likes capturing the moment as it is.
